

2010 KI Team KIXXX  
Golf Outing  
Sponsorship and Donation Program

The Karate Institute has been serving Mentor and Lake County Ohio for 30 years. We have taught many students how to become better citizens through developing positive attitudes, improved physical fitness and self confidence. One of the ways our students achieve better citizenship is through the development of positive character and sportsmanship in competition and the martial arts shows in we do in our community.

Team KIXXX is a martial arts competition team of around 40 members, consisting of a wide range of ages from 7 years old to teens and adults. They compete in State, Regional and National martial arts competition.

This year we are hosting the Team KIXXX Golf Outing at Chardon Lakes Golf Course in Chardon, Ohio on July 17<sup>th</sup>, 2010. We are asking local businesses to help by being a sponsor for this event.
